Dim Job Market Expected for Greensboro

September 9, 2008 – Greensboro area employers expect to hire at a very sluggish pace during the fourth quarter of 2008, according to the Manpower Employment Outlook Survey.

From October to December, 10% of the companies interviewed plan to hire more employees, while 27% expect to reduce their payrolls, according to Manpower spokesperson Lisha Akers. Another 63% expect to maintain their current staff levels.

“Employers anticipate staff levels to be slightly higher than the third quarter of 2008 when 20% of companies interviewed intended to add employees, and 40% planned to reduce staff levels,” said Akers. “Compared to one year ago when 13% of companies surveyed planned to increase staff levels and 23% expected to cut payrolls, hiring intentions for the fourth quarter are weaker.”

For the coming quarter, job prospects appear best in Education and Services. Employers in Construction, Durable and Non-Durable Goods Manufacturing and Wholesale/Retail Trade plan to reduce staffing levels, while hiring in Transportation/Public Utilities, Finance/Insurance/Real Estate and Public Administration is expected to remain unchanged.
